# Lang Leadership Lab Summer Institute

is an immersive and transformational co-educational summer program in Toronto, Ontario, for students across Canada who are entering Grades 11 and 12 to learn about leadership and develop as leaders. In 2026, this live-in program will take place from **July 5 to 18**.

## You are eligible to apply if you are:

- Living in Canada
- Entering Grade 11 or 12 in fall 2026
- Interested in developing your potential as a leader and changemaker
- Seeking active, engaging and exciting opportunities to challenge yourself as a team member
- Envisioning yourself as a future leader in communities and major organizations — and wanting to build the skills, mindsets and confidence to make an impact now

**Applications are open from  
Dec. 15, 2025 to Jan. 16, 2026.**

For the application process, please visit  
**[LangLeadershipLab.ca](https://LangLeadershipLab.ca)**.

## Program cost and financial assistance

The fee is \$4,500 CAD for 13 days of immersive programming. Students opting to complete the PLF4M course will pay an additional \$300 CAD.

Needs-based financial assistance is available up to the full cost of the program, including travel to and from Toronto.

## Key benefits

- Transform yourself as a leader in two intensive weeks through programming in dynamic locations including campuses at Upper Canada College, University of Toronto and University of Guelph.
- Learn deep self-awareness, strengths-based action and how to create and thrive in exceptional teams, working with expert leadership educators in a 5:1 ratio.
- Hear from leading Canadian changemakers in various sectors, including tech, sports, the arts, business and civic action.
- Develop expert teamwork skills at UCC's Norval Outdoor School, a 450-acre nature reserve, through transformative project work.
- Engage with professors from **Rotman School of Management** through a case study competition where winners earn \$2,500 in post-secondary scholarship funding.
- Experience dorm life at a university residence at **Gordon S. Lang School of Business and Economics** where you will learn about sustainable and ethical leadership from top professors.
- Earn a university certificate in leadership.
- Earn the PLF4M credit if you opt for this specific course component.
- Create long-term connections with like-minded leaders and find support throughout the academic year with regular online meetings.
