Lang Leadership Lab Summer Institute

is an immersive and transformational co-educational summer program in Toronto, Ontario, for students across Canada who are entering Grades 11 and 12 to learn about leadership and develop as leaders. In 2027, this live-in program will take place from **July 4 to 17**.

You are eligible to apply if you are:

- Living in Canada
- Entering Grade 11 or 12 in fall 2027
- Interested in developing your potential as a leader and changemaker
- Seeking active, engaging and exciting opportunities to challenge yourself as a team member
- Envisioning yourself as a future leader in communities and major organizations — and wanting to build the skills, mindsets and confidence to make an impact now

**Applications are open from
Nov. 16, 2026 to Feb. 1, 2027.**

Admission is on a rolling basis, so we encourage you to apply early. For the application process, please visit **LangLeadershipLab.ca**.

Program cost and financial assistance

The fee is \$4,500 CAD for 13 days of immersive programming. Students opting to complete the PLF4M course will pay an additional \$300 CAD.

Needs-based financial assistance is available up to the full cost of the program, including travel to and from Toronto.

Key benefits

- Transform yourself as a leader in two intensive weeks through programming in a variety of locations.
- Learn deep self-awareness, strengths-based action and how to create and thrive in exceptional teams, working with expert leadership educators in a 5:1 ratio.
- Hear from leading Canadian changemakers in various sectors, including tech, sports, the arts, business and civic action.
- Develop expert teamwork skills at UCC's Norval Outdoor School, a 450-acre nature reserve.
- Engage with professors who will guide you through a case study competition where winners share a total of \$8,000 in postsecondary scholarship funding.
- Experience residence life on a university campus and learn directly from professors in the classroom.
- Earn a university certificate in leadership and the PLF4M credit (optional).
- Create long-term connections with like-minded leaders and find support throughout the academic year with regular mentorship, learning and meetings.

Testimonials

“Wish I could live through it again.”

- Student

“These few weeks have been the most transformative, fun and enriching experience... of my life. I never thought in my life that I could learn this much in just two weeks”.

- Student

“I have had so many firsts and done things that I would have never expected to do this early in my life and just in general. I loved it all”.

- Student

“The Lang Leadership Lab went far beyond our expectations. The experiences and conversations our daughter had were life changing and she came home with a spark that we haven’t seen in her before”.
